

Presentations at ERS Copenhagen 2005 reporting ECRHS data, including local analyses.

Regular consultations with health care professionals enhance asthma treatment compliance. The results of ECRHS-II

I. Cerveri, A. Corsico, L. Cazzoletti, M. C. Zoia, S. Villani, S. Accordini, C. Janson, D. Jarvis, I. Pin, E. Pozzi, R. de Marco, on behalf of the ECRHS II Working Group for Therapy and Health Economics (Pavia, Verona, Italy; Uppsala, Sweden; London, United Kingdom; Grenoble, France)

An increase in bronchial responsiveness is associated with continuing or restarting smoking

S. Chinn, on behalf of the ECRHS (London, United Kingdom)

Issues for the construction of reference curves for spirometry

S. Chinn, D. Jarvis, on behalf of the ECRHS (London, United Kingdom)

Is the association between asthma and obesity due to confounding by smoking?

S. Chinn, C. Janson, D. Jarvis, C. Luczynska, P. Burney, on behalf of the ECRHS (London, United Kingdom; Uppsala, Sweden)

Is GOLD stage 0 a good predictor of the development of COPD? Preliminary results from the ECRHS II

R. de Marco, S. Accordini, I. Cerveri, A. Corsico, M. Bugiani, J. M. Anto, S. Chinn, T. Gislason, C. Janson, D. Jarvis, F. Neukirch, J. Sunyer, P. Burney, on behalf of the ECRHS II Steering Committee (Verona, Italy)

Long-term association of inhaled corticosteroids and long-acting β_2 -agonists with lung function decline in asthma: results from the ECRHS II

R. de Marco, A. Marcon, C. Janson, M. Bugiani, I. Cerveri, A. Corsico, D. Gislason, A. Gulsvik, I. Pin, D. Jarvis (Verona, Italy)

Persistent gastroesophageal reflux is related to increased incidence of asthma

A. Farkhooy, T. Gislason, K. Torén, A. Vellinga, C. Janson (Uppsala, Gothenburg, Sweden; Reykjavik, Iceland; Antwerp, Belgium)

HsCRP is associated with COPD and a faster decline in FEV₁ - a multicentre epidemiological study

T. Gislason, I. S. Olafsdottir, B. Thjodleifsson, I. Olafsson, D. Gislason, R. Jogi, C. Janson (Reykjavik, Iceland; Tartu, Estonia; Uppsala, Sweden)

Heme oxygenase-1 promoter polymorphism gene is associated with accelerated lung function decline in French heavy smokers from the European Community Respiratory Health Survey (ECRHS)

A. Guenegou, J. Benessiano, B. Leynaert, C. Taille, I. Pin, P. Demoly, J. Boczkowski, F. Neukirch, M. Aubier (Paris, Grenoble, Montpellier, France)

Low level of indoor allergen exposure in Iceland is related to low prevalence of atopy

M. I. Gunnbjornsdottir, D. Norback, T. Gislason, R. Jogi, A. Soon, D. Jarvis, C.

Janson (Uppsala, Sweden; Reykjavik, Iceland; Tartu, Estonia; London, United Kingdom)

Smoking habits in an international cohort of adults followed up to 10 years

C. Janson, S. Chinn, D. Jarvis, J. Heinrich, J. M. Anto, R. de Marco, C. Svanes, P. Burney (Uppsala, Sweden; London, United Kingdom; Neuherberg, Germany; Barcelona, Spain; Verona, Italy; Bergen, Norway)

The association of indoor nitrogen dioxide and house dust mite with respiratory symptoms

D. Jarvis, N. Kuenzli, J. P. Zock, J. Heinrich, on behalf of the Indoor Group of the ECRHS II (London, United Kingdom; Los Angeles, United States Of America; Barcelona, Spain; Neuherberg, Germany)

Reported ventilation during cooking modifies the association of gas cooking with respiratory symptoms

D. Jarvis, S. Villani, A. Soon, D. Norback, for the Indoor Group of ECRHS (London, United Kingdom; Pavia, Italy; Tartu, Estonia; Uppsala, Sweden)

Inhalation accidents and new-onset asthma in an international general population study

M. Kogevinas, J. Zock, J. Anto, E. Plana, D. Norback, P. Blanc, K. Toren, K. Radon, N. Kuenzli, D. Jarvis on behalf of the ECRHS-II Occupational Asthma Working Group (Barcelona, Spain; Uppsala, Sweden; , ; Munich, Germany; Los Angeles, United States Of America; London, United Kingdom)

Dehydroepiandrosterone sulfate (DHEAS) serum levels are lower in asthmatic women than in nonasthmatic women. Results from the European Community Respiratory Health Survey (ECRHS)

S. Kony, F. Neukirch, G. Goertz, J. Sunyer, C. Svanes, D. Jarvis, B. Leynaert, European Community Respiratory Health Survey (ECRHS) Gender Working Group (Paris, France; Barcelona, Spain; Bergen, Norway; London, United Kingdom)

Trends in occupational exposures during the follow-up of ECRHS

H. Kromhout, R. Vermeulen, J. P. Zock, for the ECRHS II Occupational Working Group (Utrecht, Netherlands; Rockville, United States Of America; Barcelona, Spain)

Air pollution, lung function, and loss to follow-up in the European Community Respiratory Health Survey (ECRHS)

N. Kuenzli, T. Götschi, U. Ackermann-Liebrich, J. W. Gauderman, B. Forsberg, T. Gislason, D. Jarvis, J. Weyler, S. Villani (Los Angeles, United States Of America)

Welding exposures at work, respiratory symptoms and lung function

L. Lillienberg, D. Jarvis, H. Kromhout, D. Norbäck, E. Plana, J. Zock, M. Kogevinas (Gothenburg, Uppsala, Sweden; London, United Kingdom; Utrecht, Netherlands; Barcelona, Spain)

Effects of childhood smoking on respiratory symptoms

D. Ludviksdottir, C. Janson, M. Gunnbjornsdottir, C. Svanes, T. Gislason (Reykjavik, Iceland; Uppsala, Sweden; Bergen, Norway)

Concentration of house dust mites, respiratory symptoms and atopy markers

A. R. Pereira, J. L. Sánchez, J. A. Maldonado, I. Sánchez, M. A. Sánchez, I. Urrutia, J. Sunyer, Spanish Group, ECRHS (Huelva, Barcelona, Spain)

A predictive model for the domestic exposure to nitrogen dioxide

M. Rava, S. Sartori, C. Pattaro, R. Melotti, G. Verlato, R. Bono, R. De Marco (Verona, Italy)

Associations of HRT with asthma, bronchial responsiveness and lung function

F. G. Real, C. Svanes, J. Sunyer, J. Anto, S. Kony, E. Zemp, B. Leynaert, D. Jarvis, M. Wjst, F. Neukirch, E. R. Omenaas (Bergen, Norway; Barcelona, Spain; Paris, France; Basel, Switzerland; London, United Kingdom; Neuherberg, Germany)

Agreement between urban NO₂ monitoring stations and individual exposure

S. Sartori, C. Pattaro, M. Rava, R. Bono, A. Poli, R. de Marco (Verona, Italy)

Lung function decline, chronic bronchitis and occupational exposures during the follow-up of the ECRHS

J. Sunyer, R. Garcia-Esteban, J. Zock, K. Radon, D. Jarvis (Barcelona, Spain; Munich, Germany; London, United Kingdom)

Ambient ozone and oxidative properties of PM_{2.5} in ECRHS II

P. A. Svanberg, B. Forsberg, T. Götschi, I. Mudway, F. J. Kelly, P. Borm, N. Künzli (Umeå, Sweden; Los Angeles, United States Of America; London, United Kingdom; Düsseldorf, Germany)

Agreement in reporting childhood pets in adults interviewed twice 8 years apart. Results from the ECRHS I and II

C. Svanes, S. Dharmage, D. Norback, M. Wjst, S. Villani, R. de Marco (Bergen, Norway; Melbourne, Australia; Uppsala, Sweden; Neuherberg, Germany; Pavia, Verona, Italy)

Childhood lung infections predict adult respiratory health

C. Svanes, S. Dharmage, D. Jarvis, J. Heinrich, C. Raheison, J. Sunyer, M. Wjst (Bergen, Norway; Melbourne, Australia; London, United Kingdom; Munich, Germany; Pessac, France; Barcelona, Spain)

Do people avoid pets because of asthma or allergy? A longitudinal analysis of the ECRHS I and II

C. Svanes, J. Zock, J. Sunyer, D. Jarvis, J. Heinrich, M. Gunnbjornsdottir, J. Anto (Bergen, Norway; Barcelona, Spain; London, United Kingdom; Neuherberg, Germany; Uppsala, Sweden)

Geographical latitude, birth date and allergy in adults

M. Wjst, S. Dharmage, E. André, D. Norback, C. Raheison, S. Villani, J. Manfreda, D. Jarvis, P. Burney, C. Svanes (Munich, Germany; Melbourne, Australia; Uppsala, Sweden; Pessac, France; Pavia, Italy; Manitoba, Canada; London, United Kingdom; Bergen, Norway)

Use of household cleaning sprays and new-onset asthma: a community-based study in 10 European countries

J. Zock, E. Plana, A. Dahlman-Hoglund, M. Olivieri, M. Kogevinas, and the ECRHS Occupational Working Group (Barcelona, Spain; Gothenburg, Sweden; Verona, Italy)
